This building is a three story, three bay attached structure located in the center of the block. The construction is of brick, a running bond, in natural brick in back, and painted white in front. The structure has a flat roof with chimney and is enhanced with a simple wooden cornice.

There is a rectangular door at right of center with a small flat glass transom and very small vestibule. The second and third floor windows are two-over-two with equal spacing and wooden sills. The lintels on the second and third floor windows are flat brick arch. There are two small diamond-headed tie bars between the second and third floor. There are seven rows of brick protruding about one foot above the third floor windows to meet the cornice. Is of same general width and height as other buildings on block.
